

Snow Girl Instructions

Mackenzie 14 b

1. Go to the bucket and get lime green and make it as the back ground. Make 3 snowballs ,the big one is 2 ½ in. diameter and my middle circle is 2in. diameter and my small circle is 1 ½ in. diameter Go to the bucket and fill them white make sure the snowballs are in the bottom of the page in the middle and stacking up the page.
2. Go to the bucket and make three pink buttons that are 3in. for the second snowball and put them in the middle on the outside of the second circle.
3. Go to the stamps and get the flower and the skulls with bones go to the bucket and make the flower pink and the two skulls orange and yellow. Make some arms that are black make them 1in. on the middle circle aim for the corner of the drawz it. Put the skulls on the left arm in the middle and the pink flower on top of the small snowball in the middle.
4. Go to the pencil and make two black eyes and an orange nose and a blue straight line for the mouth by the bottom of the small snow ball.
5. Go to add text box and draw a text box above the snow girl's head in the middle that looks like a rectangle and it should be 4 cm. across and 2cm. tall.
6. Type "have fun" in the text box .
